

Ikano Group Selects NuViewHR® to better manage HR Processes across their International locations

NuView Systems Inc. announces that the **Ikano Group** has selected the NuViewHR® product suite to better manage all their HR related processes & enhance leadership based on their vision & values.

Ikano was originally part of the home furnishing company IKEA, which was founded in 1943. During the 1970's Ikano's activities involved managing real estate, financial services, and insurances for IKEA. In 1988, Ikano became an independent group of companies, owned by the Kamprad family.

Today, the Ikano Group owns and develops competitive and profitable niche companies in the areas of finance, real estate, asset management, insurance and retail. Ikano's strength is distinguished by working together to create long-term solutions based on fair terms that bring value to their customers and partners. The Ikano Group operates in Europe and Asia, with their headquarters located in Luxembourg.

The Ikano Group will implement NuViewHR's *HR & Benefits, Employee Self-Service, Manager Self-Service, Succession Management, Training Administration, and Metrics* modules to manage & support their 4,000 global employees aiming to increase efficiency and employee satisfaction.
