

NUVIEW SYSTEMS INC

Our Payroll module offers solutions to complex payroll needs, while providing the flexibility and control required by today's businesses. Our secure, integrated HR/Payroll Solution, accessible anytime from anywhere, empowers your organization through access to data and greater decision making capabilities, while improving the bottom line.

THE NUVIEW PAYROLL DIFFERENCE

IN-HOUSE PAYROLL PUTS YOU IN CONTROL

- Process payrolls on your schedule – not some predetermined vendor schedule
- File your own taxes (and save money) or interface with a tax filing service
- Maintain multiple State & Local earnings and taxes by employee
- Access multiple pay rates by employee
- Multiple payroll data entry options
- Audit payroll data and correct errors before checks are printed
- Export data in Excel format for additional analysis and reporting
- Print manual checks on demand, and process expense reimbursements, whenever needed.
- Process your current year payroll before the prior year is finished
- Access to the prior year's pays, taxes and deductions

INFORMATION PORTALS/TOOLS

- Unlimited check history on-line
- Fully integrates with NuViewHR, in real-time, without duplicate entry
- Interfaces with General Ledger Systems and 3rd party time keeping for advanced labor tracking and job costing.

CLIENT SELF-SERVICE PORTAL

- Knowledgebase-Self-Help Library of article and quick assist application guides to maximize use
- Clients submit questions, report and track cases, view real time statuses, along with other detailed information

HIGHLIGHTS

- Process payrolls on your schedule
- Effective dating allows for point-in-time reporting and views
- Formula driven solution to handle even the toughest payroll rules
- Powerful, easy to use Report Writer
- Powerful spreadsheet tool for "on-the-fly" (ad hoc) reporting
- Export data in Excel format Interfaces with 3rd party Time & Attendance and General Ledger systems
