

## International Food Group Selects NuViewHR®

NuView Systems Inc. announces that **Lantmännen** has selected the NuViewHR® product suite to support and unite their 15,000 global employees.

Lantmännen is one of the Nordic area's largest Groups within food, energy, machinery and agriculture. The Group, owned by 37,000 Swedish farmers, operates in 18 countries. Lantmännen is active in all the parts of the value chain, from farmland to table.

One of Lantmännen Lantbruk's prime tasks is to supply members with seeds, fertilizer, plant protection and feed, as well as receiving, storing, refining and selling what the farmers cultivate. Sales of machinery for agriculture, forestry and contracting, including extensive retail operations, are other important aspects of the business activities.

As a leading player in food, bioenergy and agriculture, Lantmännen also works actively to promote the development of a healthy and sustainable society. Lantmännen also conducts research and development work in association with universities, colleges and companies.

In Phase 1 of the project, Lantmännen will implement *NuViewHR's Core Global Solution including Human Resource & Benefits Administration, Succession Management, Employee and Manager Self-service, and Metrics.*
