

NUVIEW SYSTEMS INC

Legal Line provides toll-free and online access to experienced employment law attorneys to answer your questions with documented advice, no later than the end of the next business day! Even companies with in-house general counsel can benefit from Legal Line. It provides a “second opinion” and draws upon the guidance of experienced attorneys who serve nearly 10,000 employers nationwide!

WHAT LEGAL LINE CAN DO FOR YOU • Legal Line is fully integrated within the NuViewHR software. Simply click the Legal Line link, submit your questions or pick up the phone and call. Use Legal Line as often as you need to protect your organization. Besides providing you with timely legal advice that is fully documented for later review, Legal Line will help your organization reduce the risk of law suits, saving both time and money.

EXPERIENCE COUNTS • Legal Line Attorneys are well versed on over 60 different human resources issues ranging from regulations and compliance, termination, benefits, FMLA, FLSA, progressive discipline and more! Legal Line also provides you with access to online content and resources, including federal and state news and regulation updates, sample HR policies, forms and posters, sample job descriptions, and other valuable support tools.

MONTHLY ADDITIONS • Each month, you will receive an email with an HR Express Update, designed to keep you aware of changing issues and new regulations in the workplace. Monthly updates contain an interactive question, a case of the month, federal and state news and regulation updates, as well as other valuable HR information. The news comes to you – so there’s no need to search multiple websites to stay current.
