

Pioneer in Scientific Development Selects NuViewHR®

NuView Systems Inc. announces that **TRC Companies, Inc.** has selected NuViewHR® to support their 2600 employees.

A pioneer in groundbreaking scientific and engineering developments since the 1960s, TRC is a national engineering, consulting and construction management firm providing integrated services to the energy, environmental and infrastructure markets. TRC is behind many of the scientific and engineering methodologies that are used in the environmental business today. They are proud to be at the forefront of the fight for the balance of environmental challenges and the need for economic growth.

TRC began as a weather research center providing improved forecasts in view of significant property losses by insurance carriers from severe storms. Since its origins, the company has grown into an integrated provider of diversified services to the environmental, energy, and infrastructure markets. Today, TRC is known for pioneering the use of sophisticated statistical methods, mathematical models and early computers to significantly improve weather forecasting techniques.

TRC will implement *NuViewHR & Benefits, Recruiting Management, Employee Self-Service, Manager Self-Service, Candidate Self-Service, and Performance Management.*
